

NATIONAL SCHOOL PLANT MANAGEMENT ASSOCIATION

2022-2023 MEMBER SCHOLARSHIP PROGRAM APPLICATION PACKET

The National School Plant Management Association (NSPMA) seeks to assist qualified students who are continuing their education by offering scholarships to those pursuing a Technical/ Trade Certification, Associates or Bachelor of Facilities / Engineering degree.

Any graduating high school senior, college freshman, sophomore, or junior is eligible to apply for a scholarship. The total number of scholarship awards is based on available funding capabilities of the NSPMA Scholarship Trust Fund. Awards are based on the selection criteria of: *financial need, academic achievement, co-curricular participation, community service, and essay response*. Individual scholarships may range from \$500 up to \$1,500 depending on the candidate's interest, evaluation results, and recommendation from the NSPMA Scholarship Committee.

The NSPMA Board would like to clarify to their members that their children and grand-children are also eligible for these member scholarship awards. When a member's child and /or grandchild submits a scholarship application they should indicate in a cover letter the member's name and school district for which they are employed.

We wish you the best in your educational and future endeavors. NSPMA looks forward to working with you as you finalize your plans. Award recipients will be notified in early February, and requested to reply with acceptance of this award and permission to promote and publicize on our website and social media. In addition, if you could supply a formal photo we are happy to place in our Newsletter as well. A certificate will be created and mailed to either your Guidance Department for Senior Awards Ceremony or to your home address.

NSPMA Awards Program

Larry Nichols-MS, Scholarship & Awards Chairperson

Committee Members

Dr. John Bailey-VA, Phillip Graham-TN, Vernon Jackson-VA, Kimberly Keener-NJ

Application with attachments must be received by January 3, 2023
